### **GUZMAN CONSTRUCTION SOLUTIONS MAKES A SMART MOVE TO MESA DEL SOL**

*Rudy Guzman of Guzman Construction Solutions Moves His Corporate Office to State-Of-The-Art Aperture Center at Mesa Del Sol*

**Albuquerque, NM – January 30, 2018** – SC<sup>3</sup> Development today announced a new tenant, Guzman Construction Solutions, is now occupying the 16,487 sqft third floor of the Aperture Center at Mesa Del Sol, a 78,000-square-foot mixed-use commercial building. This marks the largest tenant at the Aperture Center and will be the hub for Guzman Construction Solutions continued growth plans in New Mexico.

“We are excited to move our operations to the Aperture building and be part of the future expansion of Mesa del Sol,” stated Rudy Guzman, Owner of Guzman Construction Solutions. “My incredible employees are thrilled to relocate to this beautiful building that has such an easy morning drive to get here.”

Guzman Construction Solutions is a locally-owned demolition and excavation business extending its services to a wide customer base including commercial, industrial, corporate development, military, and institutional sectors. With the highest performance and customer service standards, GCS has been in a continuous expansion mode since their inception in 2003. With more than 100 employees, GCS provides an intelligent and safe approach to all operations striving to constantly improve the efficiency of the demolition process to provide increasing value to our customers. The GCS mission remains on getting the job at hand done while ensuring a safe working environment for all employees. There is a history of community support from the Guzman Family including work with the popular television series, *Extreme Makeover: Home Edition*.

This lease was brokered directly by SC<sup>3</sup> Development.
